

TUBE EXPANDER SET

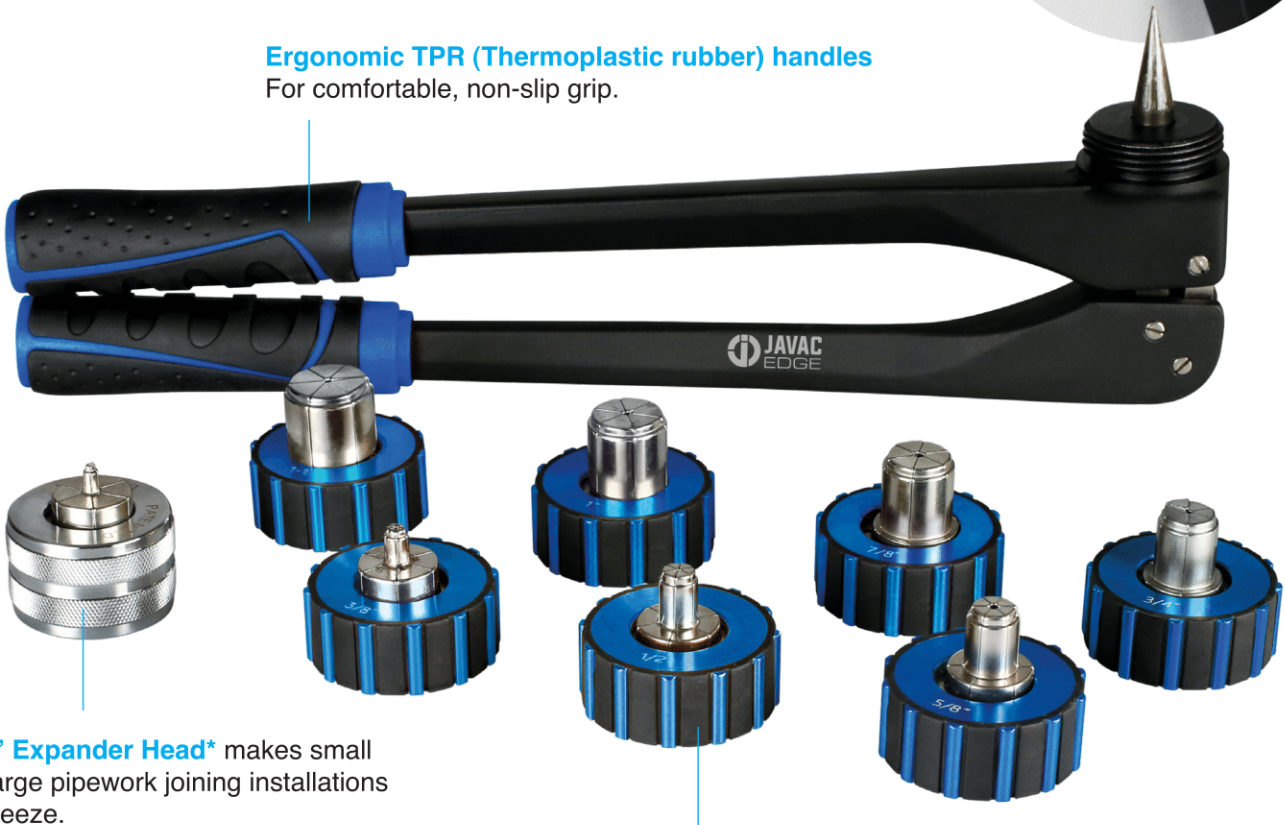

Multi Size

Swaging 1/4" pipe? Forget long winded and fiddley methods using a block and stirrup. Our JAVAC Edge Tube Expander Set is the only set that comes complete with a 1/4" expander head. Saving hassle, time and giving a more professional finish.

Part No. **JAV-1025**

Ergonomic TPR (Thermoplastic rubber) handles
For comfortable, non-slip grip.

1/4" Expander Head* makes small to large pipework joining installations a breeze.

* **PATENTED DESIGN.**

Expander heads. Six blade heads for precision and consistency.
